Section 6: Statement of decision

This statement is effective with all Project Participants and will be valid until a superseding statement is submitted to the Joint Committee through the Secretariat by the focal point entity. The Project Participants do not include or refer to private contractual arrangements in this statement such as the establishment of conditions for the designation or change of focal point. The Project Participants and focal point are solely responsible for honouring such arrangements. By signing below, all Project Participants confirm that they decide the terms of this decision on a voluntary basis.

Section 7: Declaration of avoidance of double registration

By signing this declaration below, the focal point entity ensures the proposed JCM project will not result in double registration in other GHG mitigation crediting mechanisms, which then avoids double counting of GHG emission reductions by the project.

I hereby declare that the proposed JCM project is not registered under any other GHG mitigation crediting mechanisms other than the JCM, therefore, the proposed JCM project will not result in double counting of GHG emission reductions. I also hereby declare that if the proposed JCM project is registered under the JCM, the same project will not be registered under other GHG mitigation crediting mechanisms, and vice versa.
