Section 6: Statement of decision

This statement is effective with all project participants and will be valid until a superseding statement is submitted to the Joint Committee by the focal point entity. The project participants do not include or refer to private contractual arrangements in this statement such as the establishment of conditions for the designation or change of focal point. The project participants and focal point are solely responsible for honouring such arrangements. By signing below, all project participants confirm that they decide the terms of this decision on a voluntary basis.

^{*}Rows may be added, as needed

^{*}Contact information of each entity is indicated in Section 5.

Section 7: Declaration of avoidance of double registration

By signing this declaration below, the focal point entity ensures the proposed JCM project will not result in double registration in other climate mitigation mechanisms, which then avoids double counting of GHG emission reductions by the project.

I hereby declare that the proposed JCM project is not registered under any other international climate mitigation mechanisms other than the JCM, therefore, the proposed JCM project will not result in double counting of GHG emission reductions. I also hereby declare that if the proposed JCM project is registered under the JCM, the same project will not be registered under other international climate mitigation mechanisms, and vice versa.

DISCLAIMER: Any new representative for a focal point entity is recognized to hold the same authority designated to him/her by the entity as that held by the previous signatory.

If a change to a project participant requested in this section is also applicable to a focal point entity, it is recognized that the project participant and the focal point are the same legal entity, with the same legal registration in the respective jurisdiction.
