

**Modification of the Bilateral Document for  
“Memorandum of Cooperation on the Low Carbon Growth  
between the Japanese side and the Costa Rican side”**

The Japanese side and the Costa Rican side consent on 10 April 2018 to modify the paragraph 11 of the Bilateral Document for “Memorandum of Cooperation on the Low Carbon Growth between the Japanese side and the Costa Rican side” as follows:

11. The term of this document covers the period for verified emission reductions or removals from the mitigation projects under the JCM to be made until 2030. Both sides consider an extension or completion of the above-mentioned period and reach a conclusion by 2030.
