Note:

- Please select a type and duration of a crediting period from a fixed period of 10 years or a renewable period of five (5) years which may be renewed twice at the maximum.
- The credit allocation may be filled in for each year of the selected period of 10 years for a fixed crediting period or five (5) years to the maximum of 15 years for a renewable crediting period, whereas credits may be issued for emission reductions or removals achieved until the end of the period referred to in paragraph 5 of the Rules of Implementation of the Joint Crediting Mechanism (JCM).
- Account numbers may be filled in if project participants already have one.
- The Government of Japan and the Cabinet of Ministers of the Kyrgyz Republic are referred to collectively as “both governments.”
